Hazardous materials and substance control policy

The carriage of certain hazardous materials like aerosols, fireworks and inflammable liquids aboard the aircraft is forbidden. Personal motorised vehicles such as hoverboards, mini-Segways and smart or self-balancing wheels, are also forbidden on our flights as they contain large lithium batteries. For safety reasons, we can't accept these as part of checked-in baggage or as hand luggage. If you do not understand this restriction, further information may be obtained from your airline.

The United Arab Emirates (UAE) has a very strict, zero-tolerance, anti-drugs policy. All airports within the UAE conduct thorough searches using highly sensitive equipment. Possession of any amounts of illegal drugs by travellers entering or transiting the UAE will be subject to punishment.
